To Whom it May Concern:

G. W. Mitchell & Sons, Inc. performed as General Contractor on the South Texas Regional Medical Center and the adjoining Steinle Medical Office Building. Both projects were handled professionally during the construction process. Warranty calls have been answered promptly with work being scheduled around patient loads at the hospital. I would highly recommend G. W. Mitchell for your construction projects.

Please feel free to contact me if you have any questions or concerns. You can reach me at 830/769-3515 ext. 4200.

Very truly yours,
